The Show

“One Singular Sensation”! A Chorus Line, with music by Marvin Hamlisch, follows a group of would-be dancers in their quest to make the cut for a new Broadway Musical. It’s what they’ve worked for — with every drop of sweat, every hour of training, every day of their lives – for the chance to do what they’ve always dreamed of. A Chorus Line held the record as the longest running show on Broadway for 15 years and heralds nine Tony® Awards including Best Musical.
